The finest dining, anywhere in the world

Menus designed by Michelin-starred chefs. Dishes that celebrate the destinations our ships sail to. When it comes to dining at sea, we set the bar high.

You'll find everything from light bites to haute cuisine on board. Menus that reflect where you are in the world. And chefs willing to whip you up something special (even when the rest of the ship is sleeping). Choosing where to eat presents as many possibilities as what to eat. Bountiful buffets. Poolside grills. Afternoon Tea. Each day is a culinary adventure.

On Queen Anne, nourishing buddha bowls at The Pavilion Wellness Café and the finest fillets at Sir Samuel's Steakhouse & Grill are just two of the options open to you. Other choices include a Japanese omakase menu at Aji Wa, a taste of India's spice trail at Aranya, and Mediterranean inspired dining at Tramonto, with its resplendent al fresco terrace.

At the Golden Lion, finessed pub favourites (including a selection by Michelin-starred chef Michel Roux) deliver a taste that pairs perfectly with our own-brand Cunard ales. Then there's the culinary artistry that awaits you in your ship's main dining room, where à la carte meals unfold in a symphony of style and flavour.

Your stateroom steward will turn down your room each night and refresh it each morning. There's also complimentary 24 hour room service, should the mood take you (well, you are on holiday after all).

Staying in a Britannia Stateroom also allows you to dine in the Britannia Restaurant. With the flow of conversation and full waiter service, dining in this double-height space always feels like an event. Enjoy the freedom to keep things flexible with Open Dining or perhaps opt for a set time of early or late.

Sustainability at Cunard

Taking steps to look after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around six key focus areas.

Focused on the environment

Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low-carbon or zero-carbon emission technologies, developing and installing advanced air-quality systems, and partnering with organisations and stakeholders to support our decarbonisation efforts.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste.

Partnering with our destinations and communities

More sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history, and natural resources.

Biodiversity and conservation

Our efforts are focused on taking responsibility to minimise our impact by implementing best practice across our operations, building partnerships with experts, and investing in programmes to support biodiversity and conservation.

Investing in people

Good health and well-being

Our employees are at the heart of our operation, and we've built well-being programmes to support their physical and mental health, encourage social connectivity with family and friends, and promote a balanced lifestyle.

Diversity, equity, and inclusion

Our success depends on the diversity, talent, and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

Further information

At Cunard, and with our parent company Carnival Corporation & plc, we have established a number of 2030 sustainability goals and 2050 aspirations. For more information please visit: cunard.com and carnivalsustainability.com

Japan and Alaska, by Cunard

From high rises in Tokyo to totem poles in Ketchikan, find yourself gazing up in wonder again and again in these unique regions.

Join Queen Elizabeth in Japan in 2025, and create your own stories in places like Yokohama, gateway to the neon-lit alleyways and peaceful gardens of Tokyo. Take endless photos of Kochi's ornate castle or perhaps get to know Busan's friendly locals in South Korea. This enigmatic part of the world has long captivated the hearts and minds of those who visit.

Meanwhile, in Alaska, delight in the perfect blend of on-shore exploration coupled with scenic cruising through some of the largest tidewater icefields. Explore frontier-style towns, sprung from the Klondike gold rush, and glacier-studded fjords, such as Endicott Arm and Glacier Bay National Park. On board, naturalists narrate the scenery. You're invited to embrace the sparkle at the Ice White Ball. It's all part of what makes sailing in Alaska, with Cunard, so special.

The Caribbean, by Cunard

From centuries-old rum distilleries to kaleidoscopic marine life, the islands of the Caribbean have so much to offer. And that's on top of the seemingly endless choice of sugar-sand beaches.

Explore the fusion of cultures in Puerto Rico's San Juan. Hear stories of past seafarers in Tortola. Snorkel the vibrant underwater world of St Lucia before heading to Bridgetown to sample delicious local seafood, and while away a few hours on the beach. Then, in Cozumel, step into another world as you embrace ancient Maya culture, taking in ruins and sampling traditional recipes.

Get to know these magical islands in style, as you spend days out looking for secret coves and tranquil bays, and balmy evenings on board enjoying every minute of the Caribbean. Whether it's on deck with a cold cocktail, or simply gazing at the view from your own balcony - with room service on its way - which of the day's adventures will fill your thoughts?

Northern Europe and British Isles, by Cunard

Fascinating contrasts and pristine scenery are just two of the ingredients that make a voyage to Europe's northernmost nations magical.

In Norway, a place where nature pulls out all the stops, mirror-like fjords pave the way for all kinds of adventures. Or perhaps your sights are set on Iceland, where natural wonders like gushing waterfalls, geysers, and the turquoise waters of the Blue Lagoon await.

You could explore fairytale-like architecture in cities such as Copenhagen, Stockholm, and Tallinn with its UNESCO-inscribed old town – perhaps finding time for the odd pastry as you do. Closer to home, a British Isles voyage takes in the Highlands of Scotland and emerald shores of Ireland, as well as Cunard's spiritual home of Liverpool.

Why not join us, to rediscover all that makes our tiny nation so special?

Discover these storied stretches of land and sea for yourself and, as you sail, revel in everything that comes with life on a Cunard Queen. From Michelin-starred chef residences and White Star Service to a Mareel spa staffed with London Wellness Academy-trained experts, each day brings the potential for something extraordinary.

Madeira, Portugal

Iberia, Atlantic Coast, and Canary Islands, by Cunard

Rich artistry in Spain. Bustling souks in Morocco. Pastel palaces in Portugal. Our Atlantic Coast voyages are a treat for all the senses.

Step into endless sunshine as you discover unspoilt beaches, UNESCO-listed treasures, and world-famous cuisine. From the azure coves of Southern Europe to the medieval alleyways of Africa, remarkable sights and delights await.

Explore volcanic landscapes and black-sand beaches in the Canary Islands. Indulge in botanical gardens and toboggan rides in Madeira. Immerse yourself in UNESCO-listed architecture and port cellars in Portugal.

Morocco brings minaret-topped buildings in Casablanca and whitewashed medinas in Tangier, while Agadir offers a gateway to Marrakech with its fragrant spice stalls and maze-like alleys. Just offshore of Africa, the Cape Verde island of Saint Vincent seduces with its white-sand beaches and lively cafés, where music drifts out of every door.

Flamenco shows and smoky tapas. Grand mosques and stately squares. Soak up the history of this storied region, with plenty of on board relaxation and amber sunsets to bask in on deck.

Saguenay, QC, Canada

USA and Canada, by Cunard

From the sophistication of New York to the old-world charm of Québec, some of North America's greatest treasures await discovery on our unforgettable USA and Canada voyages.

An overnight call in New York means spending days exploring Manhattan's iconic neighbourhoods, art galleries, and world-class boutiques. Then you can witness the bright lights of Times Square as darkness falls.

Further north, discover Boston's pivotal role in the American Revolution along the famous Freedom Trail. Overnight stays in Harvard's storied hometown provides the opportunity to sample the night-time delights too.

Explore more of New England and discover a taste of coastal life in picturesque Newport, renowned for its Gilded Age mansions and yachting heritage. Cross into Canada's beautiful Atlantic provinces like Nova Scotia to uncover the vast, untamed wildernesses that surround Halifax and Sydney.

As you venture further, come face to face with Québec's only fjord, the jaw-dropping Saguenay Fjord. This natural wonder offers bountiful whale watching from the decks of your Cunard Queen, as you sail past quaint riverside hamlets. Nearby Sept-Îles stuns with its rugged scenery and rich native Innu traditions.

Of course, a highlight of any Canadian voyage is a call in historic Québec City, where the magical UNESCO site feels like stepping back in time. With ample luxuries on board to revel in, indulge your senses on Cunard's Queens as you uncover North America's diverse landscapes, culture, and history.

Mediterranean, by Cunard

Lively tapas bars in Barcelona. Bustling bazaars in Istanbul. A Mediterranean voyage unlocks the door to so many memorable experiences.

Home to some of the world's oldest cities, the Mediterranean is a fascinating region to explore. A blend of golden sands and azure waters, where life moves at its own unhurried pace and humble ingredients are imbued with flavour. Join one of our Mediterranean sailings from Southampton or begin your voyage in Istanbul, Trieste, Civitavecchia, Piraeus, or Barcelona.

Salerno, just south of Naples, is the perfect place to savour a taste of 'La Dolce Vita'. You'll find opportunities to step ashore here with Queen Victoria in 2026. Or perhaps you'd prefer Kotor, Montenegro's charmingly historic capital, where winding streets and Romanesque churches seem to fan out in every direction.

Pearl of the Adriatic, Dubrovnik, introduces vistas peppered with terracotta rooftops. Valetta's Barrakka Gardens gives way to the noon canon firing in Malta. And Greece's magical islands never fail to enchant with their winding clifftop walks and flower-adorned buildings.

Dubrovnik, Croatia

Short Breaks, by Cunard

A short voyage brings you a glimpse of the unique cities of Europe, all while enjoying a taste of our iconic ships.

From Zeebrugge, you could spend an afternoon exploring medieval Bruges, with its picture-perfect canals and tasty local chocolate. Or perhaps wander the museum-lined streets of vibrant Amsterdam and stroll past works by Rembrandt and Vermeer in the Rijksmuseum. In Rotterdam, marvel at the bold post-modern architecture and shop for one-of-a-kind fashions in chic boutiques. Uncover centuries of seafaring history in Kiel, home to a fascinating maritime museum, and explore the neo-renaissance architecture of Hamburg's eye-catching Rathaus, before admiring seven centuries of art in the Kunsthalle museum.

Make your time on board your own, enjoying whatever it is you like to do on holiday. Maybe that's simply spending time with your nearest and dearest, perhaps getting reacquainted over a spirited game of cards? Or is it booking in for an ocean-inspired treatment at the spa? Topped off with our White Star Service, a short break with Cunard is set to be a getaway to remember.

Cruise Connections

Cruise Connections is our way of getting you to your ship and home again with minimum hassle and maximum value. Simply choose exactly how you want to travel. It really couldn't be easier to connect with your cruise.

Coach transfers

Our coach services link UK regions directly with the terminal at Southampton. Once your labelled luggage is put on the coach, the next time you see it will be in your stateroom. The coaches are modern, air-conditioned, and non-smoking with comfortable seating and WCs. They also make regular stops so you can stretch your legs.

Coach bookings can be made 72 hours after your cruise is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book, please visit intercruises.com/cruiseconnect, call Intercruises on 0344 338 8690, or email cruiseconnect@intercruises.com and quote your booking reference number.

Valet car parking at Southampton

If you choose to drive to the terminal, you will be directed to the drop-off point for your vehicle, where you can unload your luggage before your parking representative takes your vehicle to a secure car park. After disembarking, your car will be delivered to the terminal for collection.

Car park bookings can be made 72 hours after your cruise is booked and must be made no later than 10 days in advance of the cruise departure date.

For full details and to book please visit cruisebooking.co.uk or call Cruise & Passenger Services Ltd (the operator) direct on 0345 071 3939 and quote your booking reference.

Whether you're travelling on one of our short cruises to Hamburg, experiencing one of our glamorous Transatlantic Crossings, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You can make the most of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your Fly-Cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport, and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300*.

Upgrade your flight

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date

We can also help if you'd like to extend your holiday, either before or after your cruise.

Whether you choose to book a hotel stay through Cunard, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred flight dates when you book your cruise, or at least before the balance due date for your holiday.

Please note that should you decide to explore a destination independently, and we have provided your flights, you will need to make your own way to or from the ship on the day of embarkation/disembarkation and, depending on the flights you choose, additional charges may apply.

World and South America Discovery, Voyages and Sectors

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300*.

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation, in which case hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a land tour or hotel stay through Cunard, we can help to enhance your journey.

Add another destination

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your cruise.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your cruise finishes in Auckland why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Seattle before joining your ship in Vancouver.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300*.

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

Fare information

Fares

You can find the fares for a wide range of stateroom grades by going online, or by calling us or your travel agent.

Fares may rise as availability becomes restricted as voyages get closer to departure.

Our Cunard Fare includes the following advantages:

- ◆ Available on all voyages regardless of when you book.
- ◆ Choice of stateroom number (subject to availability).
- ◆ First priority for receiving your choice of Early, Late, or Open Dining (in the Britannia Restaurant) and table size.
- ◆ Eligible for complimentary accommodation upgrades (subject to availability).
- ◆ 15% deposit.
- ◆ Flexibility to change your booking (subject to our booking conditions).
- ◆ Plus a choice of one of the following benefits*:

On board spending money

Available on voyages of seven nights or more. On board spending money varies by voyage duration and is based on the number of nights spent on board. It can be used on board for the purchase of drinks, Shore Experiences, spa treatments, or in the on board shops. It is not transferable, cannot be redeemed for cash, used for medical charges, on board gaming (including in the casino), to make charity donations, to pay for international visas, or a future voyage. Overnight flights do not qualify for on board spending money.

Car parking at Southampton

Car parking in a secure car park (one space per booking) is available on all Southampton roundtrip voyages of seven nights or more (with the exception of World Voyages and South America Discovery voyages). Queen Mary 2** – 149–151
Queen Victoria** – 152–154
Queen Elizabeth** – 155–157
Queen Anne** – 158–160

**Although certain Queens and Princess Grill Suites can accommodate a third/fourth berth, these are capacity controlled by the numbers of covers available in the restaurants. Please call for availability.

- ◆ Unfortunately, Cunard cannot accept any child under the age of six months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Transatlantic Crossing, or other remote itineraries.
- ◆ Children pay the applicable adult per person fare when travelling as a first or second guest.
- ◆ Infants aged between six months and two years, accommodated as a third or fourth guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of six months and two years where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.
- ◆ Guests aged two to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.
- ◆ Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 18 or over.

Single guests

Single Staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement which typically ranges from 175% to 200% of the per person fare, depending upon availability and/or stateroom grade. Please note that 'sole occupancy' is limited and subject to availability – and the percentage of the sole occupancy supplement may change without prior notification.

Stateroom changes

Occasionally it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a

wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at the discretion of Cunard. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is to avoid further complications in the event of cancellations.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate a stateroom number, you can rest assured you will be given a stateroom of the type you have booked, or in some instances, of a higher grade, though it may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

Bar and wine services

When you purchase a drink/drinks, a 15% service charge is automatically added to your on board account, which is shared amongst the beverage team. Naturally, you are free to reward any member of the crew over and above these amounts, at your discretion.

Spa and salon services

For your convenience a 15% service charge will be added to your account. However, should you wish to remove, reduce, or increase the amount, please make this request during check out.

Travel information

Essential information

Our online 'Essential information' page explains everything you need to know before booking your Cunard voyage, as well as useful information to refer to after your holiday is booked. It covers everything from luggage and what to pack, to vaccinations and visas. We've moved this information online to ensure we're providing you with the most up-to-date details and developments. Please visit cunard.com/essential-information

Please note there are mandatory vaccination requirements in place for certain itineraries on sale within this brochure. Please make sure you familiarise yourself with these details within the Essential information section on the website. Failure to comply with these vaccination requirements could result in you being denied boarding.

For current travel advice for the countries you are visiting, please refer to the Foreign & Commonwealth Development Office website at www.gov.uk/foreign-travel-advice.

The information in this section is for holders of British passports only and is correct at the time of going to print.

Anyone who does not hold a British Citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

Medications

Please ensure you travel with sufficient medications to last the duration of your voyage; it is also recommended to carry a small additional contingency supply.

We do not permit guests to carry any preparations on board that may contain CBD or other cannabis products.

Passports

If you are a British Citizen, a full passport is required for all voyages. All British Passports must be valid for travel and have at least six months validity after your return home at the end of your holiday. It is recommended that you have some blank pages in your passport for entry and exit stamps. All British Citizens over the age of 16 require a full 10-year British Passport for all voyages. Children need their own passports. It is important that names and

initials on the passport exactly match those on your boarding passes.

For voyages including EU (or Schengen area) ports your passport must be:

- ◆ Issued less than 10 years from the voyage embarkation date. If we have arranged flights for you as part of your booking, the voyage embarkation date shall mean the date of departure of your outgoing flight.

For up-to-date passport information please visit cunard.com/passports

Please note that British Visitor Passports are no longer valid. British Subject passport holder requirements may differ so please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please note that it is your responsibility to have a valid passport and the appropriate visas for your journey.

Required hotel stays

Cunard can arrange flights and transfers for you to join your ship when you purchase a Holiday package Add on. Where the included flight timings necessitate a pre-/post-voyage overnight stay, Cunard will include a hotel room at the international port of embarkation/ disembarkation for the night before or after your voyage.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the voyage Booking Conditions, which you can view at cunard.com/booking-conditions. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before or after a long flight. If you wish to have time to explore your city of embarkation/ disembarkation, we recommend you book one of our hotel stay packages. If you are booked on one of our hotel stay packages, or land tours, on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

International flight arrangements

If you have booked a flight through Cunard, this will be in economy class from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/ disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by voyage and date of booking, and supplements will apply to other departure airports.

For details of how we can tailor your flights, please see page 143.

Baggage allowance

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com, after booking. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airlines' baggage restrictions.

All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- a) Flights will not necessarily be direct or non-stop. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but will inform you of any changes.
- b) Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- c) When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- d) We will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. Therefore you may have to transfer, under your own arrangements, between London airports. For Québec, Québec or Montreal may be used.
- e) Airlines reserve the right to refuse travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our on board needs questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.
- f) In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry a powered mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- g) When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.
- h) Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
 - i) For long-haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
 - j) Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
 - k) To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
 - l) If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection. You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket, as our transfers will not be included. You will need to make your own transfer arrangements between the airport and the ship.

- c) Regional flights will not necessarily be direct or non-stop.
- d) If a same-day connection is not possible, the cost of any overnight accommodation will be at your own expense.
- e) Flights from Guernsey and Jersey can only be booked the day prior to your onward travel, and overnight accommodation will be at your own expense.
- f) If you book regional flights to/from Southampton Airport through us, then the fare includes optional transfers to/from the cruise terminal. If you would rather make your own way between the airport and the port, please advise us at the time of booking.
- g) Transfers between London airports are not included.

Carriage of dogs

Cunard can accommodate assistance dogs (as defined by the Animal and Plant Health Agency) on all our ships on Southampton to Southampton voyages only. Please ensure you contact us prior to booking to ensure your chosen voyage is suitable. Service dogs are accommodated in staterooms with their owners.

Non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in kennels, and are not allowed to visit any guest area of the ship. For all dogs, it is your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the following websites www.cdc.gov/importation/bringing-an-animal-into-the-us/index.html and www.gov.uk/bring-pet-to-great-britain for further details.

Transatlantic Crossings

- ◆ One-way Transatlantic Crossing voyages, will require the purchase of a flight. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver Fare.
- ◆ We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).
- ◆ If you want to fly to/from an alternative US airport, we can also arrange this for you (an additional fee may apply).

Regional departures – please note:

- a) The regional flight supplement is in addition to any Cunard Fare.
- b) Flights are offered subject to airline schedules available at the time of booking. Should subsequent schedule changes result in no regional service being available from a particular airport, no alternative transport will be provided and any regional supplement will be refunded in full.

Frequently asked questions

Before you sail

Ask Cunard

Whether you're new to cruising or you've sailed many times before, Ask Cunard is here to help. You will find answers to the most popular questions. If you're unable to find what you're looking for within these pages visit: cunard.com/en-gb/frequently-asked-questions for a wealth of information.

What's included in my fare?

See page 38 for details.

Do I need a passport, a visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to. **Failure to meet the vaccination requirements for Yellow Fever will result in you being denied boarding.** Please visit cunard.com/essential-information for further information.

Do I need to take out travel insurance?

Yes. It is a condition of the contract that you obtain travel insurance to cover the risk of you needing medical care on board or in a foreign country. We have a relationship with Holiday Extras who can offer comprehensive travel insurance covering our requirements. You'll find further details on page 176, and you can obtain a quote and full terms and conditions from holidayextras.com/cunard or by calling 0800 316 3061.

If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. You might want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends. If you love to dance but need a partner, then our dance hosts are available on selected Cunard voyages, meaning you needn't miss out on the joy of gliding across the dance floor. For 2025, our dance hosts

will be available on Queen Anne's World Voyage, Queen Victoria's South America Discovery, Queen Elizabeth's Japanese itineraries, and Queen Mary 2's Transatlantic Crossings. For 2026, our dance hosts will be available on Queen Anne and Queen Mary 2's World Voyages.

What do I wear on board during the day?

You'll need to pack according to the local weather in the destinations you'll be sailing to. It's wise to check the relevant weather forecasts before you embark, in order to be prepared. On board during the day, simply wear whatever makes you feel most comfortable. We do ask, however, that swimming costumes and gym wear are reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any indoor dining areas.

Is there a dress code on board?

During the day, relaxed dress is welcomed in all areas around the ship. The only exception is Afternoon Tea, when we kindly request smart casual attire to be worn. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants, and entertainment venues.

On our much-anticipated Gala Evenings, we invite you to dress to impress and celebrate with us. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.

Please refer to your Daily Programme on board for more information.

Gala Evenings

From 6.00pm, we invite you to dress to impress. Eveningwear of dinner jackets, tuxedos, dark suits with regular or bow ties, floor length dresses, cocktail dresses, smart trouser suits, or formal separates are all welcome.

Non-ripped jeans are appropriate, but after 6.00pm please refrain from wearing shorts, sports attire, swimwear, or sleeveless t-shirts outside of the gym, spa, and deck spaces.

How many Gala Evenings will be on my voyage?

As a guide, there are two Gala Evenings per week. Details of daily dress codes, Gala Evenings, and themes can be found on My Cunard at cunard.com in the calendar view of your voyage. The evening dress code will also be specified in your ship's Daily Programme the evening before.

What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship – forward, midships, or aft – whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2 – pages 148, 149–151
Queen Victoria – pages 148, 152–154
Queen Elizabeth – pages 148, 155–157
Queen Anne – pages 148, 158–160

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts, or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic way to watch the ever-changing views.

What is a hotel and dining service charge?

During your voyage, you will meet many members of our team who will provide excellent service all over the ship. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account. Every dollar collected will be shared among all those people who help provide and support your voyage experience, including the restaurant and

buffet waiters, your stateroom steward, and accommodation personnel. For the latest information regarding service charges, visit cunard.com/service-charges

Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

A 15% service charge applies to all beverage and spa services on board. Casino tips can be given directly to the individual at your discretion.

What is the currency on board and how do I pay for items I buy?

The currency on board all our ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage card. Our ships do not accept cash, except at the Purser's Office for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted onto your account you will need to register your credit card via online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash, please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

How do I register my credit card?

You will be able to register your credit card via our online check-in website, My Cunard or before boarding the ship in the terminal. All credit card details are encrypted.

How can I avoid issues with my credit card?

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

When you register a credit or debit card to cover your on board spending, an amount of US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured US\$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 26 nights your credit card will be charged during the voyage for the spend to date, and again at the end of the voyage for the remaining spend. You will be notified of the date your card will be charged shortly after you embark. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. This particularly happens if you register a different card during your voyage. You may therefore want to contact your card provider on your return to release these authorisations.

When will I receive my boarding pass and itinerary information?

Approximately 35 days prior to your departure date, your electronic documentation will be available through My Cunard at my.cunard.com. This includes information relating to any hotel stays or land tours booked.

How will I know which Shore Experiences are available?

Booking online

Shore Experiences will be available to book on My Cunard, and will require payment in full at the time of booking. This method of booking gives you the best chance at getting your first choice of experiences before spaces run out. Please note that you can only book Shore Experiences online up until three days prior to departure. Log in to My Cunard to explore the latest availability.

Booking on board

You may book Shore Experiences on board, which will be charged to your on board account, to be settled at the end of your voyage.

The cancellation deadline is 48 hours prior to each port.

Tour tickets, once booked, are subject to a 10% cancellation fee if returned to the Tour Office prior to the deadline.

Tour tickets returned within 48 hours of arrival in port are subject to a 100% cancellation fee.

What if I feel seasick?

Don't worry – your ship's medical team is always on hand with a remedy. Seasickness is best countered with an injection or tablets, which should soon have you feeling well again and settle you for the duration of your stay on board. Medical charges will apply.

Is there enough to do during days at sea?

Yes, plenty. You'll be amazed by just how much there is to do. From deck sports, friendly quizzes, and dance classes, to fascinating talks and movies, there's so much to choose from. Your ship's Daily Programme (delivered to your stateroom each evening) has full details of all the activities, events, and entertainment happening the next day.

Is there a spa and salon on board?

All our ships feature Mareel Wellness & Beauty. Taking inspiration from the oceans on which our ships sail to indulge mind, body, and soul. We invite you to relax, and enjoy renewed energy, coupled with improved health and appearance with comprehensive spa, beauty, and fitness facilities on board.

For details of the spa services available on board please visit My Cunard at my.cunard.com.

Can I travel when pregnant?

Pregnant guests can travel with us up to the 24th week of pregnancy. If you will enter the 24th week of your pregnancy at any point during your voyage (i.e. you are 23 weeks + 1 day or more at any point in the voyage) unfortunately you won't be permitted to travel with us. If you require further information then please call us on 03453 550 300*.

Accessibility

In order to help us facilitate your needs, including any health conditions or disabilities, we ask that you inform us of these at the time of booking your voyage.

When booking your voyage you must inform us of any mobility or accessibility requirements. You must also advise us of any emergency assistance requirements in the unlikely event of an emergency.

An evacuation chair is needed if guests would be unable to use the stairs due to mobility or other circumstances. For anyone bringing a wheelchair or powered mobility device, this is a mandatory requirement.

One-to-one assistance is a mandatory requirement if the guest would require someone to guide and steady them on the stairs in the event of an emergency, due to

mobility or other circumstances. To follow safety regulations crew will still need to be allocated to support guests even if their travelling companion could do this. We recommend that guests who are blind, experience heightened anxiety, or have a non-visible disability have, as a minimum, one-to-one assistance in the unlikely event of an emergency. For anyone bringing a mobility aid, like a walking stick or walker, this is recommended only.

This is still the case even if a carer or companion will be supporting you during your time on board. Failure to notify us of these requirements may result in you being denied boarding at your own expense at the cruise terminal.

Mobility Equipment

Any guest who is a full-time wheelchair or powered mobility device user, or requires the use of their device inside their stateroom, must be booked into an accessible stateroom that provides the space and features required to suit guests' needs. If you tell us (on your On Board Needs Questionnaire) that you will be bringing mobility equipment and the stateroom you have chosen is not a fully accessible stateroom or selected suite, there may be insufficient room to manoeuvre your mobility aid.

Therefore, we may need to contact you to discuss other stateroom options. Non-accessible staterooms are suitable for part-time wheelchair users who do not need their wheelchair to move around the room. Please note access to the ensuite is via a raised threshold and a step is required to enter the bath/shower. We are unable to accept powered mobility devices in these staterooms, with the exception of selected suites. Unfortunately, we no longer provide wheelchair rental services on board. Each guest who requires a wheelchair is responsible for making their own arrangements prior to the voyage.

Please visit My Cunard for more information and, if necessary, to complete the questionnaire or provide a new one if your situation has changed.

For up-to-date information regarding accessibility and mobility needs please visit our website.

Booking Assistance – Why do I need to complete an on board needs questionnaire for every voyage?

We require a questionnaire to be completed for each voyage you travel on to ensure that we have the most accurate and up-to-date information. We understand circumstance can change therefore it is important for this to be completed.

After you have booked your voyage you can access the On Board Needs Questionnaire via the accessibility section on My Cunard.

How can I book assistance to embark and disembark the ship in Southampton?

All our Southampton cruise terminals are fully accessible for powered mobility device and wheelchair guests. Where possible, they feature lifts, a dedicated check-in, accessible toilet facilities, and high-level linked walkways. Wheelchair or arm assistance is provided during embarkation and disembarkation for guests with disabilities or guests with reduced mobility that have pre-booked this via the completion of an On Board Needs Questionnaire.

We would kindly request that you let us know as soon as possible, and at least two weeks prior to embarkation, should you require assistance. Please note, assistance will start once you enter the accessibility check-in desk inside the terminal. We cannot provide assistance from cars or other vehicles. Please ensure that your hand luggage is kept to a minimum and can be managed between the wheelchair user and their companion.

There are no restrictions when taking medication and sharps through in hand luggage at check-in at Southampton.

Requesting wheelchair assistance

We would kindly request that you let us know in advance if you require assistance by completing an On Board Needs Questionnaire. Guests will be asked to wait in turn for assistance to embark and disembark the ship and given the number of requests made for assistance your allotted time may differ. Wheelchair assistance is only available in Southampton.

If you are requesting assistance to embark the ship then you will also be required to book assistance in the event of an emergency.

On Board Needs Questionnaires are available to complete on my.cunard.com after booking. If you require a hard copy you can request this via our Customer Contact Centre (local call charges apply), or your travel agent.

Powered mobility device policy - Is your policy compliant with all applicable legislation?

Yes - our policies and procedures comply with all applicable ship safety and disability/equality legislation, including the EU Passenger Rights Regulation. We aim to offer our services to all disabled persons or persons with reduced mobility subject to applicable safety requirements and within the parameters of each ship design, port infrastructure, and equipment. Powered mobility devices are only accepted in accessible staterooms and selected suites.

Adapted staterooms - Can an able bodied guest book an accessible stateroom?

Accessible staterooms can only be booked by guests who have a requirement for the adapted facilities. For example, this may be a need for a walk in shower and grab rails in the bathroom, or larger floor space to manoeuvre a wheelchair or safely store a powered mobility device.

If accessible staterooms are available within 21 days of a departure, they can be offered for general sale and available for all guests to book.

Can I book an adapted stateroom if I have a disability that does not require the use of a wheelchair or powered mobility device?

Any guest who has a requirement for the facilities is welcome to book an accessible stateroom. Examples of this could be a wet room with no steps or a larger floor space to store a powered mobility device or manoeuvre in a wheelchair.

Guests who do not require the use of the facilities should not book an accessible stateroom.

If a guest books into an accessible stateroom without a need for any of the adapted facilities, we reserve the right to request that the guest moves. This may be at additional cost if moved to a stateroom in a higher category.

Do you cater for children with disabilities in the children's clubs?

We encourage all children to use our fantastic children's facilities, but we are unable to provide one-on-one support or care. If the child requires such assistance, a parent or carer will need to be present with them at all times.

If your child has a disability and would like to take part in our activity programme, please ensure you provide a full account of your child's needs when registering your child and speak with our Youth Team to arrange a chat with our Youth Manager when on board. We can then do our best to make sure they have a fun and safe holiday.

Getting ashore

When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at some ports of call. Staff will be able to provide wheelchair or arm assistance from the top to the bottom of the gangway, only where safe to do so. Guests must make their own way to/from the terminal/shuttle bus/tour buses etc. Please note if your Shore Experiences are operated by minibus, there will be no storage space for powered mobility devices or wheelchairs. We are unable to offer wheelchair access

to go ashore in tender ports. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle, Lisbon, Zeebrugge, Málaga, Cádiz, Madeira, Rotterdam, Hamburg, Boston, Halifax, Portland, Québec, and San Francisco. This policy is in the interest of guest safety.

Planning and availability

Our Shore Experience descriptions set out to offer practical advice based upon our operating practice. You can find the full range of Shore Experiences on My Cunard, by logging in once you have booked your voyage using your booking reference. We would strongly advise you to read the descriptions to make sure that your chosen experience is suitable for your personal requirements.

We use our best efforts to obtain appropriate transport, although it is not always possible for us to secure fully accessible vehicles. Please note that – due to applicable safety requirements, the design of the ship, or port infrastructure and equipment – in certain ports of call, it may not be possible for us to offer a Shore Experience programme suitable for guests who are not able to board a coach via the steps. Please be aware that in consideration of health and safety, tour providers/coach operators reserve the right to refuse carriage to any guest who is unable to negotiate the steps of the coach independently*. Taxis are usually available for hire close to the ship's berth, should guests wish to travel independently.

For further information, please contact our specialist accessibility team on 03453 550 300* (Monday-Friday 9.00am-5.00pm) or by email at accessibility@carnivalukgroup.com.

*This does not apply to lift coaches for full-time wheelchair users.

How do I join my voyage?

You can make your own way to the port or airport. Alternatively, why not take advantage of our Cruise Connections, with its comprehensive range of air and chauffeur services? To find out more, please see pages 142–143.

How much luggage can I bring?

On voyages sailing and returning to Southampton, you can bring as many bags as you can comfortably fit into your stateroom. Please attach a Cunard issued luggage label to each item of luggage, as they are essential for quick delivery to your stateroom. Please bear in mind when you are packing that the weight of an individual piece of luggage must not exceed 23kg to ensure safe handling. If each individual piece of luggage exceeds 23kg you will be delayed at embarkation and may be asked to remove items or re-pack your bags. You may also find that your luggage is delayed at disembarkation if any of your bags exceed this limit.

On voyages involving flights, baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Can you suggest a hotel I can use the night before or after my voyage?

A selection of UK hotels, including hotels near Heathrow, Gatwick, and in Southampton, are available to book through our partner Holiday Extras. For details on how to book please visit My Cunard at cunard.com and follow the link to Holiday Extras.

Your embarkation time will be shown on your boarding pass. All guests must be on board no later than one hour before departure. Check-in closing time will be shown on your boarding pass.

Cunard uses both Brooklyn and Manhattan Cruise Terminals, so please ensure that you check your documents for confirmation of which terminal you will be departing from. Guests arriving by private car should be dropped off with luggage at the terminal curb side before proceeding to either the on-site or off-site parking. Upon entering the terminal, guests will be directed towards the security, guest screening, and check-in area.

Can I send my luggage in advance?

Yes, you can in a selection of popular ports around the world*. Cunard's White Star Luggage Service is the perfect alternative to transporting your own luggage and is also the perfect option for those who choose to extend their travels pre or post voyage.

Please search White Star Luggage Service at cunard.com or phone our team on 033 0808 1294*.

What about flight details?

We may not know exact details of your flights at the time of going to print, or at the time of booking. However, your flights will be on scheduled flights or recognised charter airlines (operated under Cunard's CAA ATOL Licence number 6294). Please see pages 142–143 for details. Once your flights have been confirmed you will be able to view the details on My Cunard at cunard.com.

What happens to my luggage at the end of the voyage?

On your final night on board, you will be asked to pack your luggage and leave it outside your stateroom. We recommend that you do not pack valuables, fragile items, or medication.

On the morning of disembarkation, before you have come through Customs, your luggage will be waiting in the cruise terminal for you to identify and reclaim. In the terminal, your luggage will be arranged in the luggage reclaim area according to the colour coded labels, which will be provided to you prior to disembarkation. As many bags are similar in appearance, please check each luggage label to ensure you are claiming your own luggage.

After retrieving your luggage and exiting the terminal building, you will be directed to awaiting coaches, taxis/executive cars, and car parking. Guests with cars may first retrieve their car and then pick-up luggage and fellow travellers. If you have purchased a Cunard ship-to-airport transfer or hotel stay, you will be directed by uniformed Cunard representatives to the transfer departure point. If your friends or relations are meeting you at the terminal, please be advised that disembarkation may take up to four hours after the scheduled arrival of the ship, in order to clear immigration and customs formalities. Disembarkation generally takes place between 8.00am and 11.00am.

If your holiday includes a flight, luggage will be taken from outside your stateroom to the cruise terminal, where you will need to reclaim it and take it through Customs.

Whilst on board, please visit the My Voyage portal for more information on our WIFI packages.

What is the smoking policy on board?

The safety, comfort, and enjoyment of all our guests has always been a key concern at Cunard. With this in mind, as a direct result of the feedback we have received from our guests, we have amended our policy with regard to smoking on board Cunard ships as follows:

All public and private spaces on board (with the exception of your ship's designated smoking area) are non-smoking. This includes pool areas, restaurants, and outdoor dining venues, as well as in staterooms and on balconies. Only cigar and pipe smokers are permitted to smoke in Churchill's Cigar Lounge.

Electronic cigarettes and vape devices, including those that do not emit smoke, are only permitted in your ship's designated smoking area. You can find the smoking area's location in the ship board services folder in your stateroom and it's clearly signposted on deck. Some countries have strict rules around the use of electronic cigarettes, please visit the Foreign Office website for information.

Do you use security cameras on board?

Cunard may operate closed circuit television (CCTV) in certain areas on board the ship during your voyage.

What happens if I am unwell?

Each ship has a Medical Centre on board, supported by fully qualified doctors. We are proud to be able to say that all of our medical centres are accredited by CHKS and certified to ISO9001:2015.

Although we hope none of our guests become ill, please note that medical and repatriation expenses in countries such as

the United States can be substantial, and this is why we insist upon all guests having valid insurance to cover such costs. If you happen to be taken ill whilst cruising with us and your condition were so serious that we needed to get you to shore, you would be placed into the care of our port agents, and a member of our shoreside team would stay in contact with you and provide support if required. Please note, however, that all medical services on board are charged for, and are payable on board, and that it is a condition of the contract that you have travel insurance to cover you for medical costs you may incur.

If you choose to settle your account with cash and you have a credit card registered, you should call at the Purser's Office no later than 6.00pm the day prior to disembarkation. Cash cannot be refunded to a credit card therefore failure to remove your credit card, will result in a cash balance on your account on the morning of disembarkation. You will then need to call at the Purser's Office to collect this cash credit.

For those guests who are travelling on a World Voyage, your account will be settled several times during your stay on board. For guests who travel on two or more consecutive voyages, your account will be settled at the end of each voyage. These settlement dates will be advised when you are on board.

You may choose to settle your account with cash; however a credit or debit card should still be registered. If using cash, the account must be kept in credit at all times and there are limits on the amount of cash that can be deposited on your account, which vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling us\$9,000 or more, and these transactions must be settled using your registered card.

Local expert guides

All Cunard guides possess a wealth of local knowledge. By sharing their expert insights, you'll get a more thorough understanding of the destinations you visit, and find your experiences more rewarding and inspiring.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol ^A or ^{PA}. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely.

If you use a wheelchair or a powered mobility device, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/powering mobility device and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/powering mobility device. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or powered mobility device weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown in brackets, i.e. Civitavecchia (tours to Rome), Italy. At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service, or a city transfer service.

If you have booked your voyage paying the Cunard Fare, shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type.

Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

What does scenic cruising and sail by mean?

A scenic cruise is when your ship sails through areas of outstanding natural beauty – think Norway's Fjords or Alaska's Inside Passage.

A sail by is when your ship sails closer to shore to allow you to see a featured landmark from deck – such as Cape Horn or Easter Island.

Can I exchange foreign currency on board?

You may exchange your money into local currency for most ports of call, however there are certain ports for which the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit or debit card registered, or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (US\$500 per day with a maximum US\$2,500 per seven consecutive days, and a maximum of US\$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or traveller's cheques. We are also unable to accept €500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of US\$500; a US\$2,500 limit per seven consecutive days; and a US\$10,000 limit per 30 consecutive days; against a registered credit or debit card.

Brochure information

Once you're happy with your accommodation and fare, we'll give you a booking reference number. We will then ask you to pay a deposit of 15% per person. For bookings made within 90 days of departure we will ask you to pay the full fare amount.

After you book

Cunard must receive the balance of your fare no later than 90 days before departure. If you are booking through a travel agent, they may request payment of the balance in advance of this date in order to ensure that your monies reach us by the balance due date. If it is not received by Cunard by the due date, we reserve the right to end the contract between us and re-sell the accommodation held for you, which will also result in the forfeiture of your deposit.

We offer an auto charge payment option, where your final balance can be taken from the credit or debit card you used to pay your deposit, and this option can be set up for you during the booking process. Alternatively, you can visit our website at cunard.com/balance, where you can log in and pay your balance via our secure online payment facility. This facility offers a quick and convenient way to pay your balance.

Here's what happens after you've made your reservation:

- If you have booked with us directly we'll send you a confirmation detailing the amount received, the balance outstanding, and the due date for payment in full. If you have booked your voyage with a travel agent the balance information on your confirmation will vary according to their policy. Contact your travel agent directly if you have any questions.
- After your reservation has been made your online portal is available to you at cunard.com/yourbooking. To log in you will need to supply your first name, surname, date of birth, and booking reference. My Cunard is unique to you and holds all the information you need relating to your holiday. You can view essential information, including visa and vaccination requirements, embarkation and disembarkation arrangements, view dress codes, shuttle bus information,
